Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Community Arts Education Initiative in fiscal year 2023. The entity to receive funding for this project is Hillsborough County Public Schools located at 901 East Kennedy Boulevard, Tampa, FL 33602. The project would be a valuable use of taxpayer funds because it would develop a high-quality arts education program to open opportunities for students in underserved and struggling communities, enhance the student educational experience, and introduce students to potential career paths. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kathy Castor
